Great summaries.

I was looking into the 408 issues yesterday, and found what appears to be a recent (2006) generally-applicable "Policy and Procedural Guidance" document for 408 reviews. It can be found at:

http://www.usace.army.mil/CECW/PlanningCOP/Documents/news/sec408_ppg.pdf

Or let me know and I will fax you a copy.

I don't think it changes your analysis one bit, but probably emphasizes that any NEPA documents will have to meet the requirements of the 408 program in order to get the 408 approval.
